Maybe even better than free.

You can give this download link to your friends by mail or instant messenger. You don't need any special software installed to be able to download your files. Simply upload your file and share the link. File is free to use with no gotchas and no hidden fees. filehosting provides an easy possibility for you to send large files to your friends. Any file in any format can be uploaded and downloaded for free. No account or credit card is required to get started. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Files can be downloaded from any computer from our high speed servers. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the sizeof files that can be transferred within their apps. Unfortunately, we can't make that part free. Alternatively you can choose to share your download links onblogs, forums and social networking sites. There are no restrictions on the number of times a file can be downloaded. Keep your files private, or send yourdownload links only to friends or family. You can upload any type of file (movies, music, documents, images, zip files and more). Using file, you cancircumvent those limits without paying to upgrade your team chat service. If only we could, we surely would! On the other hand, using file can actually saveyou money. It is also allowed to link to the download page from websites and communities. The cost of that data transfer is covered by your internet service orthe data plan on your phone. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred betweenyour computer or phone and our servers, then from our servers to your friends device. Just upload the file you want to share with your friends and we send youa download link to your file. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. We have no file size limit. So try our freeand simple filehosting service now. You decide who you want to share your files with. When you use file, you avoid storing the file you're sending in yourcloud storage or mail server. Our service is completely free for everyone.
